

Wrenshall City Council

January 3, 2019, 6:00 PM-Work Session

Attendance: City Council and Staff: DonnaMae Weiderman, Jeff Kimmes, Gary Butala, Duane Ziebarth, Melvin Martindale, Alieca Johnson, Derek Wolf, Jeff Goetzman, and Mike Gravelle.

Jeff Goetzman, city engineer with TKDA was present at the meeting. He went over the feasibility report that was put together for the city on the road project for Goad and Erickson streets. He talked about the soil borings that were obtained in early December. He then went over four options he had put together for the city to look at and decide which way they would want to proceed on the project. He explained each option and great questions were asked and answered. The council is looking at option 2 and the cost for the project will be about \$261,203. A public hearing will be needed to present it to the residents.

Work Session ended at 6:50 pm
